NILES INDUSTRY WILL DISPLAY AT 'COT FESTIVAL

A chance to see what the industries in Niles are accomplishing in the way of production will be afforded the visitors to the coming Apricot Festival, following an announcement this week from the Niles Chamber of Commerce that they have promises of the leading industries in Niles to display their products in a special display booth.

Local industries who have signified their willingness to participate in the display are: California Pottery, Kraftile Company, Interlocking Roof Tile Company, Pasific States Steel, Pacific Coast Aggregates, California Nursery, Niles Machine and Tool Works, and the Kimber Poultry Breeding Farms.

The Chamber of Commerce committee, which contacted the industries above, is comprised of the following members: C. W. Kraft, Vernon Ellsworth, A. J. Petche, and L. R. Batman.

RELATIVE OF LOCAL PEOPLE KILLED IN AUTO ACCIDENT

Friends of Mrs. Allan Hirsch of Irvington were shocked to learn of the death of her father, Albert Pedelty of Hughson, who was killed in an auto accident Saturday.

Funeral services were held on Wednesday in Modesto, with a nephew, Rev. Joyce Farr, pastor of the San Jose Methodist Church, performing the service. Dwight Thornburg of Centerville, a cousin, played the organ.

The 63-year-old man is survived by his widow, Hazel; by his daughters, Mrs. Hirsch, Mrs. Ray Starn of Modesto, and Mrs. Luke of Modesto; and by three grandchildren and four brothers in Iowa.

The deceased was born in Mason City, Iowa, but had lived in California for 28 years.

Rather than the traditional offering of flowers at the funeral, friends have started a memorial fund at the Hughson Methodist Church in honor of his memory.

CENTERVILLE CUBS PLAN ACTIVITIES

The Centerville Cub Scouts have been planning various interesting activities that include a series of practice softball games which have been scheduled with neighboring Cub packs. An excursion to San Francisco to visit the Children's Playground, Steinhart Aquarium, Museum of Natural Science, De Young Museum, Fleishhacker Zoo, and other education attractions has been scheduled for Tuesday, June 11.

The members of the Cub committee are Allan Walton, George Roderick, Ed King and Tom Maloney.

QUARESMA WINS JUSTICE POST

Edward A. Quaresma, Niles attorney, was voted the people's choice for justice of the peace in the contest with Judge Joseph A. Silva, incumbent... Quaresma, who polled a total of 1993 votes against 1134 for Judge Silva, received a strong majority in each town except Niles, where the votes were almost equal.

The new judge will succeed to office at the beginning of next year for a term of three years. Judge Allen G. Norris, who was not opposed, will continue as justice of the peace in the Centerville court.

ROTARIANS HEAR PAST PRESIDENTS

It was past-presidents' day for the Niles Rotary Club yesterday at the organization's regular Thursday luncheon at the International Kitchen. Program Chairman J. A. McDonald had arranged to have seven of the club's former presidents speak on various phases of Rotary.

First president of the local club was C. W. Craft, who spoke on club habits, and then introduced the other speakes.

Dr. T. C. Wilson reviewed the history of the club, recalling that the idea for a Niles Rotary Club originated with Robert Blacow. Kraft and E. F. Glassbrook were prime movers toward its founding.

Glassbrook spoke on the community service aspects of Rotary; George Smith on visiting other Rotary club; E. A. Quaresma on Rotary ethics; and Joe Buchen on attendance.

L. R. Burdick, a past president, was not able to attend due to illness. He is now convalescing at Oak Knoll hospital in Oakland.

LIVERMORE RODEO OPENS TOMORROW

The world's fastest, and the West Coast's largest Rodeo will open again at Livermore this year on Saturday, June 8.

Livermore has donned its cowboy attire and is again welcoming such world champion cowboys as Bud Linderman of Red Lodge, Montana; John Bowman, Oakdale; Clay Carr, Visalia; and Homer Pettigrew, Grady, New Mexico, who will compete for top honors for 1945.

Monty Montana and his world famous trick riding and roping act will thrill the thousands who will gather at Livermore on June 8 for one of the west's greatest outdoor sports events since the war's end.

At this year's Livermore Rodeo, cowboys will compete in such spectacular events as bareback bronc riding, steer wrestling, calf roping, amateur bronc riding, and the feature event of the show, the Championship bronc riding. In addition there will be pony express races, Roman standing races, free-for-all races, and many horse show events, including Palomino classes and stock horse classes.

Over two hundred cowboys are expected to enter Livermore's Rodeo and four or five hundred additional entries are expected in the Downtown Parade and Grand Entry on Saturday.

Dudes from all over California will rub shoulders with the West's best cowboys at the cowboy dance after the Rodeo, Saturday, June 8, as Livermore welcomes Rodeo fans and participants from near and far.

MEN'S CLUB DINNER MEETING ON JUNE 10

The Men's Club of St James Episcopal Church will hold its annual dinner meeting on June 10 in the Memorial hall.

Ray Truscott is chairman of the committee, and the dinner will be served by Mr. Johnson of the California Inn. Wives and lady guests have been invited to this affair.

NILES MAN DIES IN HIGHLAND HOSPITAL

J. Lystra Pitts of Niles, age 39, died in Highland Hospital May 28, and was buried May 31 from Garden Chapel, Hayward.

His widow, Maudie, and five sons and two daughters survive him; also his father, two brothers and a sister, besides other relatives. Bishop Fred C. Hahn officiated. Interment was at Mount Eden Cemetery.

OUTLOOK GOOD FOR APRICOTS, SAYS JOE SHINN

"It looks like a big crop of 'cots this year—almost, but not quite, as large as the record bumper crop we had two years ago." Thus spoke Joseph Shinn Jr., chairman of the Apricot Section of the Alameda County Farm Bureau, when queried about the outlook for apricot growers this year.

"Apricots are in great demand this year," went on Shinn, "due to the low yield last year which left only a few canned and dried, and not many frozen ones."

Shinn added that Brentwood cots will be going east in a very short time and that canners should be negotiating locally now in order to get in on the crop.

And cherries? Well, according to Shinn, who raises both cherries and apricots and therefore is qualified to speak, the cherry crop is better than it's been for a long time, much better than average. Last year the canneries were paying 14 cents; this year they're paying 16 cents.

SOFTBALL GAMES DRAWING CROWDS

The softball games continue to draw capacity crowds at the high school grounds. The double headers of each evening provide at least one game that is an upset or a tense contest.

Native Sons came through with their consistent brand of good ball with a 1 to 0 edge over Chevrolet on Tuesday night. L. Telles of Irvington pitched a no hit, no run game for the Sons. That same evening Frick's dropped a 6 to 7 decision to Kraftile. Vervais and L. Kelly of Frick's accounted for 5 runs with 2-base hits; Pine, playing second for Kraftile, also brought in two runs with a single. Kraftile collected 10 hits; Frick's 12.

Mission Firemen won both games this week, 5 to 4 against Wedgewood on Wednesday; 19 to 1 in the game with Westvaco Monday night. Kleine's beat Wedgewood, 7 to 4, Monday; and the Woodmen defeated Westvaco, 13 to 2, in Wednesday's game.

The games scheduled for next week follow:

Tonight (Friday(: Wedgewood vs. Frick's; Woodmen vs. Kleine's.

Monday: Central Chevrolet vs. Kraftile; Westvaco vs. Wedgewood.

Tuesday: Woodmen vs. Native Sons; Kleine's vs. Mission Firemen.

Wednesday: Kraftile vs. Westvaco; Frick's vs. Woodmen.

TRUCK TERMINAL TO OPERATE SOON

A modern truck terminal, with complete service facilities, is nearing completion on the Centerville-Irvington road. The terminal of the L & V Trucking Company will specialize in full maintenance and sales for the trucking industry, according to a statement from Ed Vieira this week.

The 305-foot frontage of the terminal will include a 57-foot service station, a sales office, a scale that can accomodate 60-foot trucks, and a roadside restaurant. The terminal, which is owned by Vieira and L. Amaral, and is expected to be in full operation by the middle of next month, is located next to the L & V Farm Sales Company.

Work has been completed on construction of a general office building and a 30-by-60-foot garage, both located in the back of the five-acre site. Construction on the roadside sales and service buildings and the weighing scale should be completed during the next month, according to Vieira.

A tire shop with recapping facilities, a "lube" room, wash racks, lunch room, and a parts department are among the services which will be offered for both commercial and private vehicles. Vieira said transient truck drivers will have a special recreation room, bunks, and showers—all provided for their convenience without charge.

A special shipping and receiving service for local farmers probably will begin in the early part of next month. This will mean that fruit growers can take their crop into the terminal for weighing, tagging and consignment to various canneries. Canneries can dispatch trucks for centralized pickup of the crop at the terminal. The trucking firm of the terminal company will continue to haul from farm to cannery.

RITES HELD FOR ARTHUR H. LLOYD, IRVINGTON PIONEER

Arthur Hughes Lloyd, 79 and a long time resident of Irvington, died last Saturday night in San Francisco. He was the husband of the late Onie Ross Lloyd and a native of Coulburn, New South Wales, Australia.

His survivors are the daughters, Mrs. Arthur Seamans and Mrs. Ernest Hipp of San Jose, and two grandchildren, Jeanette Hipp and Diane Seamans. He was the son of the late Mr. and Mrs. John Lloyd and brother of the late Wini, Gwen, John and Jennie Lloyd and Eliza Clifford.

Rev. E. A. Groves officiated at the services which were held Tuesday afternoon from the Berge Mortuary in Irvington. Interment was in the family plot at the Odd Fellows cemetery in Irvington.

SQUARE DANCERS APPEAR TONIGHT AT NILES THEATER

Washington Township Apricot Festival time is only two weeks away! Enthusiasm for a gay fiesta and the contest of the queens is in the homestretch, according to word this week from Gus Robertson and Ed Rose of the Irvington Promenaders.

Irvington will be decorated in festival bunting and colors by Saturday, June 15, and on that same night the people of the township are invited to join their partners in a street dance. "There will be square and modern dancing—a sort of preliminary to the big festival of June 22 and June 23," said Rose.

The Promenaders, themselves, are getting in the spirit of the festival. Tonight (Friday) at the Niles Theater, they will follow the feature at 8:45 o'clock with an exhibition of elaborate and simple square dances—to the calls of "do-se-do", "swing your partner," "allemand left" and "allemand right."

It's not all dancing, however. That contest for queen of the Festival is still a big issue. This week the same two Irvington girls—Dorothy Amaral and Ellen Hall—are tied in first place with 18,700 votes. Betty Brandt has 8,800; Annabel Vargas, 6,600; Betty Silva, 5,500; Mary Goularte, Gloria Nunes and Elaine Neeley, 4,400 each; Patricia Mendonca, Marian Green, Yvonne Calderia, 3,300 each; and Virginia Feleciano and Vivian King, each 2,200.

This week's new entries in the parade of floats for the festival are the Filipino Group of Alvarado and the Peterson Tractor Company of Hayward.

JOSEPH BAUHOFER IS INJURED IN ACCIDENT

Joseph Bauhofer of Centerville was taken to the San Jose hospital Monday morning following a truck accident at his creamery. Bauhofer injured his right shoulder and back when the vehicle backed into him as he stood at a loading platform.

He was taken to the hospital in the Dallas Paul ambulance of Centerville.

COUNTY FAIR TO BE BIGGEST IN HISTORY

With hte opening date only five weeks away, the Alameda County Fair at Pleasanton today was preparing for the biggest agricultural and live stock exhibit in the history of that annual event—which in pre-war years grew to the stature of the biggest county fair in Northern California, if not of the entire state.

Scheduled to open on July 2 and continue through July 13, fair association officials headed by Dr. Paul E. Dolan, president, Sam J. Whiting, general manager, and Ernst W. Schween, secretary, are planning approximately $10,000 in regular and special awards for agricultural, live-stock and other competing exhibitors. A daily program of both running and harness races also will be staged.

"In the three years preceding the war, the county fair at Pleasanton was the biggest and most complete and drew more patronage than any county fair in Northern California," declared Dr. Dolan of Livermore, president. "In 1941 we drew more than 150,000 spectators. During the ten days of this year's fair, with better transportation facilities than before, we may pass the quarter of a million mark."

Admission to the fair grounds and its myriad of interesting exhibits will be free this year. However there will be an admission charge to the grand stand area for the daily racing programs.

Supervisors Chester E. Stanley and Harry Bartell are members of the special fair committee from the board of supervisors. Other fair association officials are Clarence G. Perkins, vice-president; Thomas H. Silver, treasurer, and Everett Nevin, auditor.

LOCAL SCOUTS IN AREA CAMPOREE

Centerville and Niles Scouts will have a chance to display their effiency in scoutcraft at the camporee of the Oakland Area Council this week-end. The various troops in the area council will hold their annual camporee along Lake Merritt.

The local troops will be judged for their efficiency in many phases of scout training including cooking of meals and setting up tents. Accompanying the Niles scouts tomorrow and Sunday will be John Cattaneo, scoutmaster; Harold Fetters, assistant scoutmaster; Kenneth Van Valer, troop committeeman; Fred L. Duffie, troop commissioner for camping.

FUNERAL RITES PENDING FOR ANTONE FIELDS

Antone Fields, 70 and a resident of Niles for almost 50 years, died at his home Thursday morning after an illness of several years.

He is survived by his wife and three children, Mrs. Alex Butler, Mrs. Mae Miller, and Anthony Fields, of Niles.

Arrangements for funeral services from the Berge Mortuary are pending.

POSTMAN FAILS TO RING TWICE IN 22 YEARS

Almost every week The Register gets at least one phone call from a subscriber who has not received his Register that week.

This week Mrs. Frank Duarte of Duarte avenue, Niles, was the unlucky subscriber whose paper went astray. Mrs. Duarte was not irate at the editors, however. She was upset because, as she said, "We just don't know how to get along without The Register."

Mrs. Duarte holds something of a record, however, in this matter of not getting her paper. "We have been taking The Register for 22 years, and this is only the second time we have failed to get the paper in all that time. And we think that is remarkable because there are so many Duartes around here, and it would be easy enough to give one of the others our paper."

The editors congratulate Mrs. Duarte on her many years of loyalty to The Register, which leads us to wonder about some of our other subscribers. It would be interesting to learn just exactly who, for instance, in the point of years of subscription to the paper, is our oldest subscriber!

TWO BASEBALL LEAGUES FORMING IN TOWNSHIP

What is probably the first organized baseball team in the Township was announced this week by Manager Jesse Jacinto of Alvarado.

The baseball club, which is being sponsored by the Alvarado Theatre and is known by the same name, is scheduled to play its first game this Sunday. Jacinto's outfit will meet the Melrose Stars of Oakland at 2 o'clock in the afternoon at the Alvarado grammar school grounds. The club is not associated with any league and will play independent baseball in games booked through an Oakland baseball association.

There is at least a second baseball team forming in the township, the Register learned this week. Al Ferreira of Decoto is looking over prospects for a club that will be operated by the Pearce Canning Company.

Manager Ferreira stated that he expects to have a full ball club in two weeks. He is arranging for bookings as an independent team, but hopes that Pearce Canning and Alvarado Theater outfits will be the start of a baseball league in the township.

Jacinto stated this week that his starting lineup is not yet definite, but he announced the names of several players. The players booked to date are: Larry Dutra, catcher; Stanley Roderick, first base; Harry Jacinto, second base; Ralph Chapman, shortstop; Joe Dutra, third base; J. Perry, left field; Bud Marshall, centerfield. Prospective pitchers for the new club are Harry Alameda, "Stew" Stewart, and Chestnick of Hayward.

CENTERVILLE HAS NEW SCOUTMASTER

Scouts of the Centerville troop are going to have a new scoutmaster, according to Phillip Sousa, assistant district commissioner. He is Walter Teixerre who was appointed Centerville scoutmaster at this week's meeting of the troop committee.

Teixerra is a former scout of the Newark troop. Assisting him will be Phillip Brazil. Brazil was commissioned at the same troop committeemen's meeting. He became assistant scoutmaster of the troop where he has been a member scout.

DRAMA SECTION TO VIEW COLORED SLIDES

The Drama Section of the Country Club will hold its regular meeting next Tuesday evening at the home of Mrs. W. F. Lamoreux, with Mrs. Tom Robbins and Mrs. Lew Musick acting as co-hostesses with Mrs. Lamoreux.

The showing of colored slides, taken in all parts of America, will comprise the entertainment for the evening.

MISSION HOLDS 59TH FEAST OF THE HOLY GHOST

The ancient festival of the Feast of the Holy Ghost is being celebrated in the town of Mission San Jose this Saturday night and Sunday for the 59th year. This traditional festival of the Portuguese will be observed in all the ritual and spirit of thanksgiving as it was first founded by Queen Saint Isabel of Portugal.

The legend for the origin of the feast goes back to the 13th century during the reign of Queen Isabel who was considered a saint by her contemporaries. The Queen, who helped her subjects in times of famine, was given credit for many miracles through the appearance and assistance of the Holy Ghost. Out of this legend grew the festival celebrations which are set aside for Pentecost Sunday. In this vicinity, Mission San Jose, where the I.D.E.S. Lodge started the festival almost 60 years ago, is the only town that celebrates on the traditional Sunday.

QUEENS SELECTED

Joan Dutra of Warm Springs has been selected to be crowned Queen of this year's fiesta. In accordance with the legend of the celebration, the Queen and her attendants will leave in ceremonial procession from the I.D.E.S. Hall to St. Joseph's Church at 9 o'clock Sunday morning. She will be crowned during the celebration of a High Mass by Monsignor Sousa of the Centerville Parish, with sermon in Portuguese, at 10:00 o'clock. The procession will then return to the hall, where a traditional dinner of "sopas" and meat will be served.

DANCES SCHEDULED

Festivities for Sunday afternoon include American dances and the Portuguese chamarita. During the afternoon there will also be the auction of offerings with proceeds going to the Holy Ghost Society for distribution to works of charity

Fireworks at the grammar school, the first since the war, will start Saturday night celebrations at about 8:30 o'clock. A dance, with music by Morrie Perry, is scheduled for the same evening at the I.D.E.S. Hall.

OTHERS TO PARTICIPATE

Included in the procession with the Queen will be Esther Costa and Audrey Aguiar, maids; Joy A. Feleciano and Don Michael Connolly, cape holders; Nadine Fernandez, Marline Fernandez, Shirley Cunha and Bernardine Semas, bar girls.

Bill Fernandez is president of the committee in charge of celebration arrangements. Other committeemen are: Joe F. Maderios, first vice-president; A. C. Santos, second vice-president; Joe Abreu, secretary; Joe Azevedo, treasurer; Joe Pereira, marshall; Abel Vargas, Ed Freitas and Raphael Souza, directors.

Newark, Milpitas, Mt. View, Santa Clara and East San Jose will join in the ceremonial processions with their own queens and banners.

MRS. FRACOLLI FINDS THE SILVER LINING

* * * * * * * * *

DISAPPOINTMENT SOFTENED BY SURPRISE

Here's a little story to prove that there really ARE compensations in life—if you have ever doubted it.

Last week Mrs. Annette Fracolli, employed at the International Kitchen, was busily and happily preparing for the homecoming of her son, Staff Sergeant Pete Fracolli, who was expected to arrive in New York last Sunday after many months spent in Italy.

Then the blow fell. Pete sent word that two hours before sailing time his orders were changed and he was being sent on to Rome. Mrs. Fracolli, along with Pete's wife and baby son, whom he has never seen, were deeply disappointed. They had been looking forward to his homecoming for several weeks.

To make things more miserable, they learned that Pete's brother, Corporal Paul Fracolli, was to be shipped overseas from Camp Beale almost immediately.

Life looked very dark indeed.

Then Mrs. Fracolli bought a ticket, because—big-hearted as she is—she just couldn't refuse. She promptly forgot about the ticket, however.

Came Sunday, the day that Pete was supposed to arrive in New York. But Mrs. Fracolli didn't like to think about that. Sunday was also the day that the Veterans of Foreign Wars at San Lorenzo were holding a big picnic at Stoneybrook Park, where they were giving away a new Chevrolet, but Mrs. Fracolli was not interested in picnics, so she didn't go.

Came Monday, and, of course, Tuesday followed. It was on Tuesday morning that Mrs. Fracolli was walking disconsolately down the street when Mr. Rose (affectionately termed "Fat" by his friends) hailed her with: "Well, how does it feel to be the owner of a new Chevrolet?"

Mrs. Fracolli simply said, "I'm in no mood to be kidded this morning."

"Kidding!" he exclaimed. "You mean you didn't know?"

No, she didn't know! She had become the owner of the car that was given away at Stonybrook Sunday, and here it was Tuesday and she was just learning about it!

But life is like that. When things seem darkest, there's always something like a new car to put zest back into living. Not that a new car will take the place of the long-awaited son. But Mrs. Fracolli, almost overwhelmed by her good luck, thinks a car will come in mighty handy when that son does come home, which shouldn't be more than a couple of months at the most.

NILES BOY IN CHINA STARTS SCOUT TROOP

In far off China, Earl Silva, former Niles Boy Scout now serving in the Marines, feeling a deep concern over the underprivileged Chinese children, has undertaken to start a Boy Scout troop in the far off land.

The first thing the Chinese boys were desperately in need of—whether they belonged to a Scout troop or not—was wearing apparel. So Earl's first thought was to get the boys some clothes. Remembering how his brother Scouts back in Niles were always willing to assist each other, Earl wrote back to Fred Duffie, assistant scoutmaster of the Niles troop, asking if he could get the Scouts to forward some clothes.

The Niles Scouts were more than willing to oblige, and back came the following letter from Earl, expressing his gratitude

Tsingtao, China,
May 21, 1946

Dearf Mr. Duffie:

Good evening, Mr. Duffie. Guess what! Yep, that's right. The Scout gear finally arrived and none too soon either. I have been waiting for it the past months, and was beginning to wonder what could have happened to it. I was really overwhelmed when I opened the boxes and found the Scout Shirts, pants and socks and also the neckerchiefs that had such a long journey over here. The best part of it was all the notes that were attached to the clothes. The names are quite familiar and they certainly brought back lots of memories that will be hard to replace in the future.

I see that Kibby took the cake by sending some flashy sweaters. I guess that he doesn't want the fellows to be uniform. If I remember right, he always had an excuse for not wearing a uniform to the meetings. All joking aside, they are appreciated very much. I'm really grateful to all the Scouts and Scouters who helped to make the collection of clothes a big success. I noticed a few names on the notes that were attached to the clothes and it is nice to see the unfamiliar names which show a rising membership throughout the troop. The Scoutmasters book and hand book and compass were really swell. I guess that I shouldn't have any trouble in the future to come with all the Scout gear.

As you have most likely heard that the 3rd Marine Brigade is due to leave Tsingtao, but I don't think that it will leave for quite a while to come yet. I received four boxes of clothing and I noticed the tags were marked kind of funny... That is, the 1/1 and 1/3, and the other figures. If you have any more boxes on the way, please let me know so that I may be on the look-out for them in the near future. Mr. Duffie, will you please thank all the Scouts for me that sent the clothes. I couldn't begin to write each and every one, and in the second place I wouldn't know what in the world to write them. I couldn't just come out and say thanks, because that's not all there is to it.

I wrote a little message that should give them an idea of what I mean:

To Fellow Scouts and Scouters:

I wish, at this time, to extend my sincere appreciation to each and every one of you fellow Scouts and Scouters for your thoughtful and most helpful contributions toward the Scout Clothing Drive, that was such a big success. If each and every one of you could fully realize the need for Youth Programs throughout China, you would be only too glad, and I know you are, to be of such assistance to the Chinese race to build a more reliable government and also to help the world to an everlasting peace.

Scoutingly yours.
Earl F. Silva.

CENTERVILLE PRESBYTERIAN CHURCH SUNDAY SERVICES

Morning worship at 11:15 a.m. Everyone invited.

Sunday School at 10 a.m. For all ages of children.

The sermon: "Jacob's Search for God." The text: "And Jacob awaked out of his sleep, and he said, Surely the Lord is in this place; and I knew it not." Genesis 28:16.

Too many times like Jacob we go astray. We want our own way in this world. Pride, weak and wrong effections, lead us on to destruction, the destruction of forgetting God. We then go on a rampage seeking aimlessly for that something which will bring us peace and comfort. After many hardship and bitter experiences, we, too, like Jacob, end our search in God.

Cute tricks with June vegetables

Double your enjoyment of the grand variety of colorful, garden-fresh vegetables that are plentiful in June by preparing them in different ways. Take a look at these bright ideas on the subject.

MAIN DISH EGGPLANT—Cut eggplant in half lengthwise and parboil for 15 minutes. Scoop out center, mash and combine with chopped cooked meat, ½ cup of bread crumbs, grated onion, and seasonings to taste. Add a beaten egg and mix well. Refill shells, dot with butter or margarine, and bake in hot oven (400° F.) for 15 minutes. Serves 4 to 6.

CARROTS AND SQUASH—Cut carrots and zucchini or Italian squash in thin slices, and steam in just a bit of water until tender, about 10 minutes. Season with salt, pepper, onion juice and sprinkle with grated cheese to serve.

BROCCOLI—Season cooked broccoli with salt, pepper, and a tablespoon or two of orange juice. Top with grated orange rind to serve. Simply delicious!

GLORIFIED GREEN BEANS—For a pleasing new flavor, sprinkle green beans with a bit of nutmeg just before serving.

SPEED-EASY FRIED POTATOES—If you want tasty potatoes in a hurry, try this method. Shred potatoes and onions and brown in hot fat, stirring frequently. Then add just a bit of water, cover, and steam for about 5 minutes. Try yams or sweet potatoes this way, too. They're ready in no time at all.

CREAMED RADISHES—Trim radishes leaving about 1 inch of stem. Cook uncovered in salted water to cover, 15 to 20 minutes or until just tender. Drain and add to white sauce. They are like the most delicate flavored turnips.

FRIED ONIONS AND CUCUMBERS—Truly tasty as an accompaniment for steak or liver. Peel and slice cucumbers and onions and saute in hot fat until golden brown. Season with salt and pepper.

TOPPED ASPARAGUS—Cook asparagus stalks separately from tips. When tender, drain and mash stalks, adding a bit of evaporated milk and butter or margarine for a creamy consistency. Season and serve as a sauce over the asparagus tips.

The Real Need

In all the furor and fury aroused by President Truman's drastic proposal for curbing strikes, too much emphasis has by no means been placed on the fact that a situation even remotely requiring such a measure would never have arisen if the Government had not coddled arrogant labor leaders for many years.

Time and again when the Administration should have taken firm action to put John L. Lewis and other like him in their place, it has refused to act or has acted so mildly as to be completely ineffective.

Time and again Congress has been called upon to pass labor legislation which has obviously become necessary both for the protection of the public and for the rank and file of labor itself. But Congress, too, has either refused to act or has passed inadequate measures which it afterwards failed to improve when their weaknesses became apparent.

It is difficult, if not impossible, for any clear thinking American to approve a law, such as the President proposed, which would force men to work at the point of a gun, if necessary. Such legislation is not the answer to the situation.

The real need is for an overhauling of our labor laws to be done without hysteria or revenge, but as quickly as is consistent with thoroughness. This should have been done long ago.

MRS. HOUSEWIFE

Can you make room for a three days supply of meat?

We ask this question because the Bay Area Butchers' Unions demand the right to prohibit food retailers from operating their meat counters on Mondays.

If retailers submit to this demand, you will have to buy enough meat on Saturdays to carry you and your family through Saturday, Sunday AND Monday.

In these days of inadequate and war worn refrigeration, the proper storage of three days' supply of such a perishable food as meat would be difficult if not impossible. Waste would be inevitable, and this at a time of acute shortages at home and famine abroad, when our Government asks everyone to save food, share food, stop waste.

The Unions want what they want when they want it, regardless of these important considerations. The Unions have threatened to press their demand for Monday closing even to the extent of picketing all Safeway Stores. This would mean that not only our meat counters but our grocery departments would be closed.

This advertisement is published so the public may be advised of another unreasonable dictatorial union demand which is against the public interest.

WHEAT STOCKS ARE RAPIDLY DISAPPEARING

America's great wheat stocks are disappearing. We are now short 49,000,000 bushels of the home needs and promised shipments to hunger-stricken countries.

South Carolina is the only state which does not grant divorces on any grounds.

Thinking Things Over...

By VIVIAN BATMAN

There is nothing sadder looking than the faces of the losing candidates still showing themselves on posters in shop windows. When you see them, you can't help but feel a little embarrassment for them and wonder why they don't hurry and get them out of sight.

HERE'S A RECORD

If you have two or three youngsters driving around with you in the back seat of your car, you know what the mental strain is.

Multiply that number by 20 or more and—but I'll let you guess. And then repeat this operation twice a day for 22 years—well!

If you're wondering what I'm getting at, I'll get to the point by telling you that Hugh Kibby, printing and woodshop instructor at Washington Union High School, has driven the high school bus for 22 years! How's that for a record of patience and forbearance?

Mr. Kibby, who is in his 30th year of teaching, started his run on the first day that the school took over the two busses. (Now there are six.)

His first bus was an old four-cylinder Moreland, with isinglass windows and a hand brake to help it stop. Since the old Moreland, he has driven five different busses.

Accidents? He hasn't had any, and that is something of a record too.

Mr. Kibby—now that he has been doing it for 22 years—takes the matter of driving the bus simply as part of the day's routine. "It isn't so bad," he says. "You get used to it."

Though I didn't have a chance to interview him, I understand that George Mathiesen, head custodian at the high school, who is retiring this year, has also driven a high school bus for as long as Mr. Kibby. The two men started out at the same time.

MORE BEES

It's beginning to seem inevitable that I shall spend the remainder of my newspaper career in writing about bees. I have written preivously about bees—in another section of the paper—on three separate occasions. Now another bee story has popped up.

It comes from D. R. Rees, Niles druggist, who tells about two farmers who lived on adjoining land. One farmer raised pears. The other farmer raised bees.

It so happened that Farmer Jones' bees became very fond of Farmer Brown's pears. They began extracting all the honey from them.

Farmer Brown complained to Farmer Jones about the bees taking all the honey from his pears.

Farmer Jones apparently just shrugged and retorted, "So what?" because it wasn't long before Farmer Jones' bees found themselves in court. Not literally, of course. But they were, in effect, the defendants in a damage suit.

The case was quickly cleared up, however, when Farmer Jones took the stand. He looked accusingly at Farmer Brown and said, "How does he know those are my bees?"

It was obvious to the whole court room that Farmer Brown was stumped. How COULD he identify the bees?

He couldn't, of course. So the case was dismissed.

A STRANGE PHOBIA

I have a strange phobia. It is—unlike most people's phobias—menues. Yes, just menues. Once I lay my hands on a menu, I can't stand to have it taken away.

Waitresses seem to have formed a conspiracy to rid me of this phobia, however. For immediately I sit down to the table in a restaurant and start perusing the menu, some waitress will come along to snatch it out of my hands. Perhaps I am no farther down on the list than the soups—but does the waitress care? No! She glowers at me, and says, "What'll you have?"

I am meek. I say, "Well, if I could just get another little peek at the menu—"

But you can see she is a designing woman. Under no circumstance is she going to let me see that menu again. She, herself, reads off the entrees in a sing-song fashion and repeats stoically, "What'll you have?"

Not having had a chance to read the prices of any of these viands, I am in doubt as to the proper choice. I look pleadingly at her. "Please—just one more glance at the menu?"

She is firm. She says, "The roast beef is good."

I take roast beef.

Once a waitress forgot and left a menu on the table. I was enchanted. I could see before me several happy moments of perusing the darned thing at my leisure. But just as I got down to the list of appetizers, another waitress came along and snatched it away.

(The editor says if I really feel this way about menues, he'll print me some for my own use. I can't wait!)

ABOUT LIFE

If anybody cares, I sold a piece to the American Legion Magazine this week. It was entitled "Life Goes to An Air Show," which was inspired, of course, by the recent air show at the Centerville Air Port. (I thought you Centerville people might like to know.)

YOU CAN BELIEVE IN SIGNS NOW

The Rotary sign has finally caught up with the roving Rotarians. The long-familiar marker for the club meetings in front of the Hotel Belvoir property has been moved down the highway to the International Kitchen.

Out of sentiment—or maybe, just plain procrastination—the sign remained at its old location until last week. In the meantime, the Rotarians went on meeting—from the Belvoir to the Florence Restaurant, and now at the new club rooms of the International Kitchen.

The sign has changed its locations and also its lettering. It now reads every Thursday noon at the International Kitchen.

HAROLD GRAY MAKES TRIP TO ORIENT

Roland Bendel will be acting engineer for the mosquito abatement district, it was disclosed this week, on the heels of an announcement that Harold Gray has gone on a government mission to Japan, Korea, and China to study mosquito-borne diseases. Gray will return in September.

Sportsmen's News

Following reports on opening of more trout districts include:

Amador county: All streams in the county now clear and about normal. Fly fishing should be good on opening of the stream. Alpine Highway will be open to Silver Lake.

Calavaras county: Streams in good shape for opening of trout season except main rivers are high and roily due to warm weather and heavy run off of snow.

El Dorado county: All streams in lower elevations normal and clear. Fly fishing should be had at opening. Higher streams high due to melting snow. Bait will prove best in higher elevations.

Trinity county: All that portion of Trinity county that opens May 29 will be good. Streams low.

Tahoe report: Catches of Mackinaw Trout in Lake Tahoe are reported very good. Truckee River, however, has been providing only fair fishing.

Tuolumne fishing: Fishing generally remains poor in Tuolumne county as the North Fork of the Tuolumne has passed the peak of runoff and has cleared with fishermen taking limits of small fish almost the full length of the stream. Next stream to clear will be the Clavey and Tributaries.

Fishing in Plumas county has brought some good results, with limits being taken from Indian, Last Chance, Clover, Hungry, Ward and Montgomery creeks. Lake Almador continues good with fish averaging 2¾ pounds. Gold Lake is open and road is passable. All lakes below the 6000 foot level are ice free and open to fishing.

The road to Boasoro Meadows in Madera county northeast of Bass Lake is open, but is not as yet in good condition.

The "dream show of the entertainment world" will play a limited engagement in San Francisco before heading eastward on its annual tour of the nation.

Color, costuming, lighting effects, music, comedy and drama again vie for honors in the new show.

Because of the heavy demand for tickets, George Campbell, Winterland manager, announces that choice seats will be made available to out-of-town residents through mail order.

What are the requirements for a loan?
Do I qualify?
How much can I afford?
How much will it cost per month?
Can I borrow the entire purchase price?

PLANT NOW
Millions of people are starving in Europe and Asia . . . and it is up to us Americans to feed them! We hope for peace and understanding in the world, and it will take bread and butter to realize that hope. We must give generously . . . and that means there will be some food scarcity at home. The way out is through a lesson we learned during the war . . . raising food in our home gardens! In wartime 1943 the U. S. raised *eight million tons* of food in Victory Gardens, and American housewives put up *three and one-half billion* quarts of food . . . most of it home-grown. It is time for Americans to do it again!
